The British Islands and Their Vegetation Arthur G. Tansley, 1965 **The British Islands and Their Vegetation** A. G. Tansley, 2013 The British Islands and Their Vegetation A. G. Tansley (Sir), 1949 **The British Islands and Their Vegetation 2 Volume Set** Sir Arthur George Tansley, 2009 **The British Islands and Their Vegetation** Sir Arthur George Tansley, 1949 **Coral Reefs of the United Kingdom Overseas Territories** Charles Sheppard, 2013-03-14 The tropical UK Territories have extensive coral reefs Huge parts of these areas are exceptionally rich productive and diverse Their marine biodiversity exceeds that of the UK itself and several are already or are planned to be strictly protected Some of these areas serve as reference sites for many other countries with damaged reefs and they are oases of tropical marine biodiversity in a fast degrading world This book reviews all of the UK reefs from those scarcely known to those where substantial research has already been performed **Scottish Geographical Magazine** , 1912 *Trees, Forested Landscapes and Grazing Animals* Ian D. Rotherham, 2013-03-05 In this comprehensive book the critical components of the European landscape forest parkland and other grazed landscapes with trees are addressed The book considers the history of grazed treed landscapes of large grazing herbivores in Europe and the implications of the past in shaping our environment today and in the future Debates on the types of anciently grazed landscapes in Europe and what they tell us about past and present ecology have been especially topical and controversial recently This treatment brings the current discussions and the latest research to a much wider audience The book breaks new ground in broadening the scope of wood pasture and woodland research to address sites and ecologies that have previously been overlooked but which hold potential keys to understanding landscape dynamics Eminent contributors including Oliver Rackham and Frans Vera present a text which addresses the importance of history in understanding the past landscape and the relevance of historical ecology and landscape studies in providing a future vision **Memoirs of the Geological Survey of England and Wales. ...** Geological Survey of Great Britain, 1846 **Memoirs of the Geological Survey of Great Britain and the Museum of Economic Geology in London** , 1846
