Alice Bloch, John Solomos

British Social Attitudes The 21st Report:

British Social Attitudes Alison Park, John Curtice, Katarina Thomson, Catherine Bromley, Miranda Phillips, 2004 The 21st Report summarizes and interprets data from the most recent survey and makes comparisons with findings from previous years *British Social Attitudes* Alison Park, Elizabeth Clery, Miranda Phillips, Katarina Thomson, 2010-01-30 The acclaimed British Social Attitudes survey is the essential guide to the topical issues and debates facing British society today and this is the 26th report *British Social Attitudes* Alison Park, National Center for Social Research (Londres)., 2004

Race and Ethnicity in the 21st Century Alice Bloch, John Solomos, 2017-09-16 In the 21st century new ethnic groups are forming faster than ever before and the role of race and ethnicity studies has evolved in response to this From policy issues around housing and crime through to debates about asylum and media representations sociologists must encounter and explore a vast range of issues in this ever changing field This book gives an overview of the most important topics that affect the making of race and ethnic relations in contemporary societies It goes beyond general definitions to explain exactly how and what these issues and debates can tell us about modern society Using research and statistics to shed light on the most cutting edge issues the book takes each major topic in turn and helps readers to think through race and ethnicity on the basis of the most recent thinking in the field Each chapter explains a range of theoretical and conceptual perspectives whilst approaching complex ideas in an accessible and insightful way Written and edited by recognized experts in the field *Race and Ethnicity in the 21st Century* will be an essential point of reference for researchers and practitioners and key reading for all students of race and ethnicity

The Conservative party and social policy Hugh Bochel, 2011-03-23 With the Conservative Party breaking new ground in forming a coalition government with the Liberal Democrats this book examines the development and content of the Conservatives approaches to social policy and how they inform the Coalition s policies Chapters cover the development of Conservative Party social policy and specific policy areas The book will be of interest to academics undergraduate and postgraduate students and everyone with an interest in the Conservative Party and the Coalition government s social policies

Englishness Ailsa Henderson, Richard Wyn Jones, 2021-03-04 Until the Brexit referendum there was widespread doubt as to whether English nationalism existed at all at least beyond a small fringe Since then it has come to be regarded an obvious explanation for the vote to Leave the European Union Subsequent opinion polls have raised doubts about the extent of continuing English commitment to the Union of the United Kingdom itself Yet even as Englishness is apparently reshaping Britain s place in world and perhaps ultimately the state itself it remains poorly understood In this book Ailsa Henderson and Richard Wyn Jones draw on data from the Future of England Survey a specially commissioned public attitudes survey programme exploring the political implications of English identity to make new and original arguments about the nature of English nationalism They demonstrate that English nationalism is emphatically not a rejection of Britain and Britishness Rather English nationalism combines a sense of grievance about England s place within

the United Kingdom with a fierce commitment to a particular vision of Britain's past present and future Understanding its Janus faced nature both England and Britain is key not only to understanding English nationalism but also to understanding the ways in which it is transforming British politics

Young People And Social Change Furlong, Andy, Cartmel, Fred, 2006-12-01 Examines modern theoretical interpretations of social change in relation to young people and provides an overview of their experiences in a number of key contexts such as education employment leisure health crime and politics This second edition offers introductory text for students in sociology of youth sociology of education and more
