

may still throw a pall over the future. It is not yet clear which direction the former Soviet society will take.

World Security for the 21st Century: Challenges and Solutions. A Colloquium Between American and Soviet Legal Experts. Edited by Benjamin B. Ferencz. (Dobbs Ferry, N.Y.: Oceana Publications, 1991. Pp. vii, 228. \$42.50.) This volume is an exercise in "people's diplomacy," with sponsorship and participation from the Pace Peace Center. The "Soviet legal experts" are scholars from the Institutes of State and Law of what are now the Russian and the Ukrainian Academies of Sciences. "Colloquium" perhaps overstates the occasion, for no prepared papers were delivered; the professed objective of the occasion—"to begin a process whereby international lawyers, free of political ties, can help to con-

struct the legal framework for a more rational global society"—has in fact been under way for years at a more sophisticated standard within and outside the United States.

Reading the edited transcript of a dialogue is normally an unedifying chore, and reading this volume is no exception. The wisdom and profundity of Ferencz and Paul Szasz shine through from time to time, whereas Professor R. A. Tuzmukhamedov (the elder) and Dr. Galina Shinkaretskaia, Uzbek and Russian respectively, seem receptive but on a different wavelength. The Ukrainian participants, having barely encountered *perestroika*, still seek an autonomous consciousness in international law. Good will is in abundance throughout, but this book contributes nothing new to legal scholarship, nor does it advance the genre of East-West literature of which it is a part.

This symposium honors a man with a long and important career in international law. His work was centered in Utrecht, although he also taught at Leiden and Amsterdam. His life was interrupted by the Nazi occupiers who, apparently outraged by his critique of the Munich Agreement, consigned him to Buchenwald. The work for which he is most remembered consists of the multivolume *The Jurisprudence of the World Court and International Law in Perspective*. He acted as counsel or arbitrator in many proceedings. The symposium offers four major papers: Louis Sohn's *International Arbitration in Historical Perspective: Past and Pres-*
