is authorised and may even be required to direct peacekeeping measures to prevent the aggravation of armed conflicts It suggests that the legal accountability of the Security Council in directing peacekeeping measures will be enhanced by utilising procedural mechanisms for self regulation British Foreign Policy in former Yugoslavia 1989-1999 John P McCumiskey, 2023-12-06 British Foreign Policy in former Yugoslavia 1989 1999 Brotherhood and Unity Lost gives a broad analysis of Britain s foreign policy during the wars of Yugoslav secessions from 1992 to 1999 Normative approaches to Britain s foreign policy during this period have tended to place it in to two halves The notion there was a new morality in Britain s foreign policy appeared after New Labour s election landslide on 1 May 1997 Robin Cook declared shortly after the victory there would be an ethical dimension to Labour s foreign policy and this appeared to chart new territory As a result this would be a departure from what former US Assistant Secretary of State James Rubin believed was the hyper realism of the traditional British kind under British Prime Minister John Major The book includes interviews with key actors provides new archive material and re examines claims by the New Orthodoxy which became prevalent after 1999 The Three Pillars of Liberty Francesca Klug, Keir Starmer, Stuart Weir, 2003-09-02 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Hague Yearbook of International Law / Annuaire de La Haye de Droit International, Vol. 29 (2016)** Ruth Bonnevalle-Kok, Jure Vidmar, 2018-12-24 The aim of the Hague Yearbook of International Law is to offer a platform for review of new developments in the field of international law In addition it devotes attention to developments in the international law institutions based in the international City of Peace and Justice The Hague As of the 2010 Volume the Yearbook has been compiled by a new and expanded Editorial Board offering fresh ideas and a new approach A newly established Advisory Board has also been added including leading judges practitioners and scholars Sections have been created on public international law private international law international investment law and international criminal law containing in depth articles on current issues The breadth of the Yearbook s content thus offers an interesting and valuable illustration of the dynamic developments in the various sub areas of international law
